William Lee Lead Mechanic Acme Auto 250 Business Rd. Buffalo, NY 30210

Dear Mr. Lee,

I'm writing to apply for the position of diesel mechanic at the City Transit Agency, as advertised on the city's careers web page.

In addition to experience as a diesel mechanic, I have an excellent knowledge of gasoline engines and electric systems, and I hold a CDL driver's license. Most recently, I worked for Trailer Transfer in Middletown as their lead diesel mechanic. While I was there, I developed a training program for new hires. However, I had to leave my job due to a move to your city.

Thank you for your time and consideration. I've included my resume for your consideration. I will follow up next week to see if I can offer any more information about my skills and experience.

Yours sincerely,

Lucius Robertson
