A typical Day

Hi, My name is Susan. I am ten years old. I am Portguese and I live with my mother, my father and my brother in Lisbon.

The day starts about 7 o´clock , when dad and mum get up. We usually have breakfast at 8 o´clock . I like to eat cereal with milk and a toast.

After breakfast my brother and I brush our teeth. We all leave the house by 8.30. Dad goes to work. He is a doctor. Mum, my brother and I go to school then my mother catches the bus to her work place. She is a shop assistant.

I always have lunch at school.

My friend picks me up from school at 18.30. Sometimes we go to the shops and if we are lucky we play with our friends in the park before we do our homework.

Dad usually gets home about 19.30 and we all have dinner together. My favourite meals is fish with salad .

In the evenings, I sometimes watch TV or chat with my friends on my computer.

I go to the ballet on Wednesdays and my brother plays football on Tuesdays.

At weekends I play on my computer and I usually go out with my friends.
