

Let's count the fingers

Addition

Let's type the appropriate numbers in the boxes as in the example.

 +  = 3 <input type="text" value="2"/> + <input type="text" value="1"/> = 3	 +  = <input type="text"/> <input type="text"/> =
 +  = <input type="text"/> <input type="text"/> =	 +  = <input type="text"/> <input type="text"/> =
 +  = <input type="text"/> <input type="text"/> =	 +  = <input type="text"/> <input type="text"/> =
 +  = <input type="text"/> <input type="text"/> =	 +  = <input type="text"/> <input type="text"/> =
