

2. Write a brief summary. Use some of the key words in the box.

lightbulbs diodes LEDs signs electronics
traffic signals remote controls MP3 players
hoverboards VR headsets

3. Which was your favorite invention from the text? Draw and write.

A large, empty rectangular box with a thin blue border, intended for students to draw a picture of their favorite invention and write about it.

4. What invention would you like to read about? Why?

A small, empty rectangular box with a thin blue border, intended for students to write a brief summary or answer to question 4.

5. What else are you reading now? Write title, author, and genre.

A small, empty rectangular box with a thin blue border, intended for students to write the title, author, and genre of another book they are reading.

Mind Map

1. What can you say about these inventions?
