Tips for learning languages:

Complete the text with the words in the box.

articles-exercises- guess- list -look -it -up mistakes -spell- topics -translate

Learning a language is one of the most useful things you can do with your free time. These are some things you can do to help improve your level in the languages you are studying.

• Read as many books and magazine or news _____as possible.

• Listen as often as you can to the radio, to songs and to people talking about lots of different _____, so your pronunciation and vocabulary improve.

• Don't worry about making _____.

• Do grammar and vocabulary _____online or in workbooks.

• Learn how to _____ words correctly.

• Make a _____ of new vocabulary and then play games with the words to help you learn them.

• When you read or hear a word you don't know, try to _____Its meaning. You can then _____ in a dictionary. But remember that it is sometimes not possible to _____ word from one language to another exactly.
