My name is Amy. I'm a student and I live with my parents in a small village. We have got two dogs and a cat. We love animals. My father is a vet and he works with animals every day. He helps them when they are ill. My mother loves working in the garden. She has a flower shop and there are many flowers in our garden. I haven't got any brothers or sisters, but I have two very good friends, Briony and Elsa. We like going to the cinema together to watch horror films. There's only one cinema in our village and there aren't any shopping centres. I went to a big shopping centre in London last Saturday.
