

# IN SUMMER...Olaf

Really? I'm guessing you don't have much experience with heat

Nope! But sometimes I like to close my

And imagine what it'll be like when summer does come

Bees'll buzz, kids'll blow dandelion fuzz

And I'll be doing whatever snow does in

A drink in my hand, my snow up against the burning sand

Probably getting gorgeously tanned in summer

I'll finally see a summer breeze, blow away a  storm

And find out what happens to solid water when it gets warm!

And I can't wait to  what my buddies all think of me

Just imagine how much cooler I'll be in summer

Dah dah, da doo, uh bah bah bah bah bah boo

The hot and the cold are both so intense

Put 'em together it just makes sense!

Rrr Raht da daht dah dah dah dah dah dah dah doo

Winter's a good time to stay in and cuddle

But put me in summer and I'll be a — happy

When life gets rough, I like to hold on to my dream

Of relaxing in the summer  just lettin' off steam

Oh the sky would be blue, and you guys will be there too

When I finally do what frozen things do in

I'm gonna tell him

Don't you dare!
