1. Write the name of the habitat in the space provided. *Escribe el nombre del habitat en el espacio dado.*

READING: Read a description of Karen's favorite animal.

My favorite animal
Hi, I am Karen. My favorite animal is the orangutan. I love it because it is funny, friendly and very intelligent. It lives in rainforests and spends most of the time on trees. It eats a lot of fruit, honey, insects and bird eggs, and it can live over thirty years. It is in danger of extinction and there are only a few orangutans in the world.

2. Answer the questions
