

Recognizing and Ordering Numbers

A. Watch the video below (stop at 1:47).

Complete the worksheet below.

B. Ascending order means sorting numbers from _____ to _____.

C. Drag the numbers to put them in ascending order.

54	45	44	55	34
----	----	----	----	----

--	--	--	--	--

79	97	89	98	69	96
----	----	----	----	----	----

--	--	--	--	--	--

121	11	131	21	141	41
-----	----	-----	----	-----	----

--	--	--	--	--	--

401	103	162	193	230	540
-----	-----	-----	-----	-----	-----

--	--	--	--	--	--

1394	1304	1958	1234	1564	1294
------	------	------	------	------	------

--	--	--	--	--	--

D. Descending order means sorting numbers from _____ to _____.

E. Drag the numbers to put them in descending order.

67	93	45	22	54
----	----	----	----	----

--	--	--	--	--

436	295	495	258	406	238
-----	-----	-----	-----	-----	-----

--	--	--	--	--	--

4860	4603	4850	4080	4232	4890
------	------	------	------	------	------

--	--	--	--	--	--

980	965	876	823	967	988
-----	-----	-----	-----	-----	-----

--	--	--	--	--	--

5947	3840	4879	5730	2478	3489
------	------	------	------	------	------
