9. Reading comprehension: answer the following questions about these interviews.

Diego, Mexico  The best way to learn English is to go abroad, live in that country for awhile, get used to the culture and make friends. I think socializing is the best way to learn a new language.	Christophe, Belgium  What is the best way to learn English? I think the best way to learn English is to talk with native speakers, speakers who have English as their mother tongue, but the really best way to learn English is if you have an English boyfriend or girlfriend because that really makes you learn English a lot faster.
Aiste, Lithuania  I think the best way to learn English is to speak with people in English and try to communicate in English as much as you can, and the next thing I think is to listen for the	Santi, Indonesia  The best way to learn English. First, you watch movies. A lot of movies, foreign movies, well, English movies would be the best, and you can choose the movies. That's the first thing you have too, and then second

news and TV and native English speakers and do it as often as possible.	of all, you can learn vocabulary, and the other best things to learn English is having conversation with a native speaker , because you can improve your pronunciation.
MJ, Korea  I think meet many foreigners and make foreign friends cause not only studying a book and read books and correcting grammar, it is important, but you know facing with the real native is one of the most important to improve your English skill.	Katia, Mexico  The best way to learn English I believe is actually to go to a country that they speak English. You will pick it up very fast. There is no other way around. You have to learn or otherwise you will be somewhat outside of the society, so the best way to learn is being around the people that speak
