

Israel

Sometimes it is very difficult to find Israel on a globe or world map. We live in a small, but very special country.

Israel is on the continent of Asia. The capital city of Israel is Jerusalem. The Israeli flag is white and blue.

People speak many languages in Israel, Hebrew, Arabic and English.

There are many mountains in the country. The highest mountain is Hermon Mountain. Israel has borders with Jordan, Lebanon, Syria and Egypt. In the summer it is very hot. In the winter it rains a lot. The favorite food in Israel is falafel and humus. Some people like shawarma and pizza too.
