

LISTENING ACTIVITY

Time After Time

Lying in my **bed / bad**
I hear the clock tick and think of
you
Caught up in **circles / circus**
Confusion is nothing **new / you**
Flash **back/ black**,
warm nights, almost left behind
Suitcase of memories
Time after

Sometimes you pictured me
I'm walking too far **ahead /**
head
You're calling to **me / we**
I can't hear what you've said
Then you said: Go slow, I fall
behind / be right
The second **hand / land**
unwinds

If you're lost you can
look / book
And you will find **me / we**
time after time
If you fall I will catch you
I'll be waiting, time after time

If you're lost you can look
And you will find **me / we**
time after time
If you fall, I will catch you
I'll be waiting, time after time

After my picture fades
And darkness has turned to
grey / green

Watching through Windows
You're wondering if I'm ok
Secrets stolen from deep
inside / outside
The drum beats out of
time / times

If you're lost you can
look / book
And you will find me, time after
time
If you fall I will catch you
I'll be waiting, time after time
You said: Go slow,
I fall **behind / be right**
The second hand unwinds

If you're lost you can look
And you will find me, time after
time
If you fall I will catch you
I'll be waiting, time after time

If you're lost you can look
And you will find me, time after
time
If you fall I will catch you
I'll be waiting, time after time

Time after time
Time after time
Time after time
Time after time

Time after time
Time after time
Time after time
Time after time
