Answer the questions

SAME FAMILY – DIFFERENT LIVES

Vilma Williams lives in London. Her sister Paula lives in the USA and their cousin Carol lives in Jamaica. Here they talk about their lives.

Vilma

I was six when I came to England from Jamaica with my parents and Paula. Now I am 29 and a nurse at a London hospital. I have two sons, but I'm not very happy in England. Jamaica still feels like home and I'd like to go and live there. My mother went back to Jamaica five years ago.

Paula

I went to England when I was three. After I finished school, I studied medicine and worked as a doctor. Then I married Brad and moved to the USA. Now, I have my own clothes shop. We had our first child six months ago, and I'm very happy in New York.

Carol

I'm 30. I studied business at college and I've had a few jobs, but at the moment I'm without work. I will have my first baby next month. I like the Jamaican people and my parents have a house in the next town, but I would like to live somewhere else and have a change.
