Unit2: Mission

Assessment (1)

Read the text then, answer the questions with true (T) of false (F)

My name is Steven Dytiuk. I like computers and video games. From a very early age I loved to paint and color using the computer. I started using Photoshop when I was 11 years old. Since then, I decided to be a computer programmer. I am passionate about computers and designing. I studied computers science at the university. Now, I am a computer programmer in Compertronix. This year I designed an educational video game and every one likes it. I like my job. I think my job is one of the most exciting jobs.
