4. (teachers) _____? No, they aren't.

4 Play ***Guess What I'm Going to Do.***

Imagine that there is going to be a party at school on Saturday.
Choose an activity that you are going to do. Do not tell your friends what it is.

Student A: Are you going to bring sodas?
Student B: No, I'm not.

Student A: Are you going to sing?
Student B: Yes, I am!

LIVEWORKSHEETS

1 Read the riddle and complete the chart.

Some friends are going to download music for the party. They're going to play Ariana Grande, Justin Bieber, Beethoven, Maroon 5, Selena Gomez, and One Direction.
Matt and Benny are going to download music by a male singer. Brenda likes classical music; she isn't going to download pop music. Rick is going to download the latest album of a female singer. Joyce and Peggy are going to download music by a female singer too, but they don't like Ariana Grande. June and Ross are going to download the latest hits of their favorite bands. Ross is going to download Maroon 5's first album.

Name	Artist
Matt and Benny	
Brenda	
Rick	
Joyce and Peggy	
June	
Ross	

Answer the questions.

1. Are Matt and Benny going to download music by Selena Gomez? _____
