UNIT 4: OPERASI DARAB

F. Lengkapi tambah berulang dan ayat matematik bagi operasi darab dengan betul.

Contoh:

$$4 + 4 = 8$$

$$2 \times 4 = 8$$

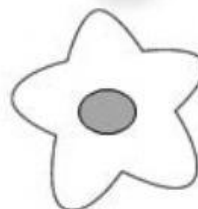

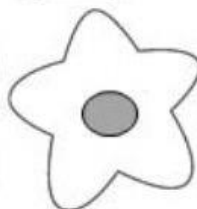

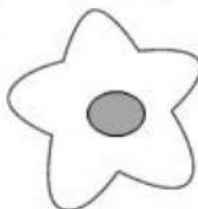

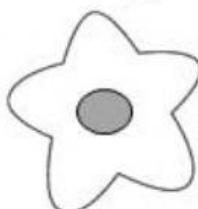

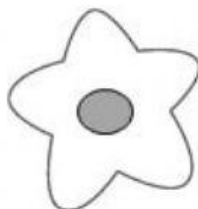

1)

$$\square + \square + \square = \square$$

$$\square \times \square = \square$$

2)

$$\square + \square + \square + \square + \square = \square$$

$$\square \times \square = \square$$
