

If nia had 3 dogs 5 birds

How many pets does nia have?

If hana had 10 candies and she gave 3 candies to her friends

How many would hana have now?

Farah invited her friends to her party, and only 6 came and 3 declined

How many did Farah invited her friends?

Viva has 30 views and her friend has 50 views

What is the difference of their views

33 is 3 tens and    ones

69 is 6 tens and    ones

23 is 2    and 3 ones
