II. Reading

Nick has been playing the game of marbles since he was 5 years old. It is his favourite game. He loves to play with other kids. Lately, he has been teaching Brian how to play marbles.

Brian is Nick's best friend. Nick and the other kids have been teaching him all the rules of the game and how to win.

It is a fun game, but Brian is not good at all. Brian hasn't been playing by the rules, and of course he has not been winning.
