

Somewhere

by K's Choice

There's _____ about this day that feels a lot like yesterday
_____ looks the same: the wall, the TV set,
The way I move around myself to be
_____ over there where things just seem to grow
Where _____ seems to know what they want from me

I never felt like I belonged to _____ or _____
Still I depend on you for every single thing
I could be wrong about so _____, but
_____ over there where things just seem to grow
Where _____ seems to know what they want from me

I'm too young to know I'm young
I'm too selfish to be strong
Am I too old to allow my adolescence to go on?

There's _____ about this day that's not at all like yesterday
I could be
_____ over there where things just seem to grow
Where _____ seems to know what they want from me.
