

Somewhere

by K's Choice

There's _____ about this day that feels a lot like yesterday

_____ looks the same: the wall, the TV set,

The way I move around myself to be

_____ over there where things just seem to grow

Where _____ seems to know what they want from me

I never felt like I belonged to _____ or _____

Still I depend on you for every single thing

I could be wrong about so _____, but

_____ over there where things just seem to grow

Where _____ seems to know what they want from me

I'm too young to know I'm young

I'm too selfish to be strong

Am I too old to allow my adolescence to go on?

There's _____ about this day that's not at all like yesterday

I could be

_____ over there where things just seem to grow

Where _____ seems to know what they want from me.
