

CONNECTORS OF SEQUENCE

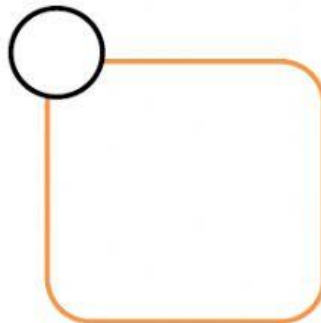

1. Read the sentences and drag the picture to the correct place. Then write the correct number to order the sequence.

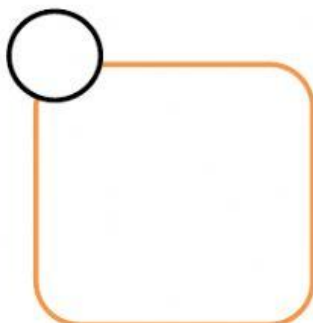

Finally watch
your plant grow.

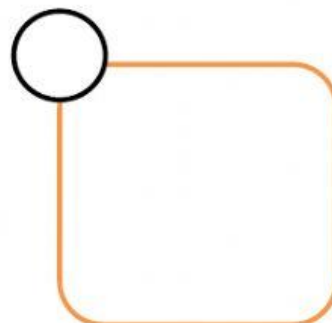

First open a hole
in the ground.

Then cover
everything with
dirt.

Second put the
plant in the hole.

After that water
the plant.

CONNECTORS OF SEQUENCE

2. Look at the picture about how recycle and write sentences using the connectors of sequence.
