

## *Regular verbs pronunciation*

Listen. Notice the difference in the ending sound of the words:

|                  |                      |                   |
|------------------|----------------------|-------------------|
| <b>liked</b> /t/ | <b>performed</b> /d/ | <b>hated</b> /ɪd/ |
|------------------|----------------------|-------------------|

Now listen and repeat. Then choose the sound that corresponds to each verb ending.
