Hi, I'm Danny. In the summer holidays I went to England for the first time. It was very exciting. My dad took me to departures at the airport. While I was waiting at the check-in desk I couldn't find my passport. But I found it in my jacket pocket! After the check-in I got my boarding pass and went straight to the plane because I was late. The flight attendant was angry with me! The plane set off along the runway and a few minutes later it took off. Two hours later we landed in England. I got through the airport quickly and found a trolley for my luggage. My aunt was waiting for me at arrivals.
