

Once I was _____ years old, my mama
told me

Go make yourself some friends or you'll be lonely

Once I was _____ years old

It was a big big world, but we thought we were
bigger

Pushing each other to the limits, we were learning
quicker

By _____ smoking herb and drinking burning
liquor

Never rich so we were out to make that steady
figure

Once I was _____ years old, my daddy told
me

Go get yourself a wife or you'll be lonely

Once I was _____ years old

I always had that dream like my daddy before me
So I started writing songs, I started writing stories
Something about the glory, just always seemed to
bore me

'Cause only those I really love will ever really
know me

Once I was _____ years old, my story got
told

Before the morning sun, when life was lonely

Once I was _____ years old

(Lukas Graham)

I only see my goals, I don't believe in failure
_____ I know the smallest voices,
they can make it major

I got my boys with me at least those in favor

And if we don't meet before I leave, I hope I'll see
you later

Once I was _____ years old, my story
got told

I was writing 'bout everything, I saw before me

Once I was _____ years old

Soon we'll be _____ years old, our
songs have been sold

We've traveled around the world and we're still
roaming

Soon we'll be _____ years old

I'm still learning about life
My _____ brought children for me
So I can sing them all my songs
And I can tell them stories
Most of my boys are with me
Some are still out seeking glory
And some I had to leave behind
My brother I'm still sorry
Soon I'll be _____ years old, my daddy got

Remember life and then your life becomes a
better one
I made the man so happy when I wrote a letter
once
I hope my children come and visit, once or twice
a month

Soon I'll be _____ years old, will I think
the world is cold
Or will I have a lot of children who can warm me
Soon I'll be _____ years old
Soon I'll be _____ years old, will I think
the world is cold
Or will I have a lot of children who can hold me
Soon I'll be _____ years old

Once I was seven years old, my mama told me
Go make yourself some friends or you'll be lonely
Once I was seven years old
