Part C

Directions: In this part of the test, you will hear several short talks. After each talk, you will hear some questions. The talks and questions will not be repeated.

After you hear a question, read the four possible answers in your test book and choose the best answer. Then, on your answer sheet, find the number of the question and fill in the space that corresponds to the letter of the answer you have chosen.

Here is an example.

On the recording, you hear:

Now listen to a sample question.

Sample Answer

In your test book, you read:
(A) Only bumblebees can fertilize red clover plants.
(B) Bumblebees protect red clover from plant eating insects.
(C) Bumblebees bring water to red clover plants on their tongues.
(D) Bumblebees keep mice and other animals away from red clover plants.

The best answer to the question "Why is it impossible to raise red clover where there are no bumblebees?" is (A), "Only bumblebees can fertilize red clover plants." Therefore, the correct choice is (A).

Now listen to another sample question.

Sample Answer

In your test book, you read:
(A) They both make honey.
(B) They both build combs.
(C) Both of them are found in underground nests.
(D) They both live through the winter.

The best answer to the question "According to the speaker, in what way are the queen wasp and the queen bee similar?" is (D), "They both live through the winter." Therefore, the correct choice is (D).

Remember, you are **not** allowed to take notes or write in your test book.

This is the end of Section 1.
Stop work on Section 1.

Do NOT read or work on any other section of the test.
The supervisor will tell you when to begin work on Section 2.

Time: 25 minutes

This section is designed to measure your ability to recognize language that is appropriate for standard written English. There are two types of questions in this section, with special directions for each type.

Structure

Directions: Questions 1–15 are incomplete sentences. Beneath each sentence you will see four words or phrases, marked (A), (B), (C), and (D). Choose the **one** word or phrase that best completes the sentence. Then, on your answer sheet, find the number of the question and fill in the space that corresponds to the letter of the answer you have chosen. Fill in the space so that the letter inside the oval cannot be seen.

Example I

Sample Answer
