Picking Pumpkins

On the ground,
On the vine,
Three little pumpkins
All in a line.

One was too big,
One was too tiny,
One was just right,
All orange and shiny.

I can read the poem
three times.

I can circle rhyming
words.

I can draw a picture
of the poem.

① What is the setting of the poem?

② How many pumpkins were there?

③ Describe the pumpkin the author liked.
