**Jazz band looking for new members!**

We need people who are (1) \_\_\_\_\_ and won't miss band practice, concerts and talent shows. You also need to be (2) \_\_\_\_\_ because sometimes we have to work very hard for many hours and it helps having positive people. It's also important to be (3) \_\_\_\_\_ as becoming a star takes a lot of time and luck. We don't want anyone who is (4) \_\_\_\_\_ and starts telling everyone what they should do. We also don't want any (5) \_\_\_\_\_ people. We expect all band members to be polite to each other.

## Blog

Last year I went to a music festival in England. It was fantastic. There was lots of different types of music. Some of my favourite musicians and bands performed. Tiny Tempah and Jay Z were there. They rapped and performed **(1)** *phopih* \_\_\_\_\_ songs. There was a **(2)** *alkf* \_\_\_\_\_ band called Mumford & Sons that I really liked. They played English folk music. There was also a **(3)** *azjz* \_\_\_\_\_ band from America. They were cool. I was really surprised that there was also **(4)** *lacislasc smcui* \_\_\_\_\_ at the festival. They played Beethoven. I really enjoyed it. The best band was on Saturday night – it was Chic and Nile Rodgers – they played **(5)** *cdosi* \_\_\_\_\_ music.
