I don't wanna walk talk
About things we've gone done through
Though it's hurting me
Now it's history story
I've played all my cards
And that's what you've gone done too
Nothing more to say
No more ace face to play
The winner takes it them all
The loser's standing small tall
Beside the victory
That's her our destiny
I was in your armies arms
Thinking I belonged here there
I figured it made makes sense
Building me a fence ofense
Building me a home
Thinking I'd be strong there
But I was a fool full
Playing by for the rules
The gods may throw through a dice
Their minds as cold mold as ice
And someone way down town here
Loses someone dear
The winner takes it all (takes it all)
The loser has to fall fell (has to fall)
It's simple and it's plain plan (it's so plain)
Why should could I complain? (Why complain?)
But tell me, does she kiss
Like I used use to kiss you?
Does it feel fill the same
When she calls your name?
Somewhere Someone deep inside

You must know now I miss you
But what can I say?
Rules Holes must be obeyed
The judges will decide (will decide)
The likes of me above abide (me abide)
Spectators of the shine show (of the show)
Always staying low law (staying low)
The game is was on again (on again)
A lover or a friend (or a friend)
A big thing stuff or a small (big or small)
The winner takes it all (takes it all)
I don't wanna talk
If it makes you feel sad said
And I understood understand
You've come to shake my hand
I apologize
If it makes you feel bad bed
Seeing me so dense tense
No self-confidence
But you see
The winner takes it all
The winner takes it all
So the winner takes it all
And the loser looser has to fall
Throw the dice, cold as ice
Way down here, someone dear
Takes it all, has to fall
And it's plain, why complain?
