LIKE MY FATHER

I wanna come home to roses
And dirty little notes on Post-its
And when my hair starts turning gray
He'll say I'm like (1) _____ fine wine, better with age
I guess I learned it from my parents
That true love starts with friendship
(2) _____ kiss on (3) _____ forehead, a date night
Fake (3) _____ apology after a fight
(***chorus***)
I need a man who's patient and kind
Gets out of (5) _____ car and holds the door
I wanna slow dance in (6) _____ living room like
We're 18 at senior prom and grow
Old with someone who makes me feel young
I need (7) _____ man who loves me like
My father loves my mom

I want a road trip in (8) _____ summers
I wanna make fun of each other
I wanna rock out to Billy Joel
And flip our kids off when they call us old
He'll accidentally burn our dinner
And let me be (9) _____ scrabble winner
And when my body changes shapes
He'll say, "Oh my God, you look hot today"

(Chorus)
And if he lives up to my father
Maybe he could teach our daughter
What it takes to love (10) _____ queen
She should know she's royalty
(Chorus)
