Innate rights for all people

Reflect on the aspect mention early, and then answer the following questions.

Are Human Rights guaranteed in your country?

Yes, they are | No, they are not

What would the world be if everyone respected the human rights? (Choose two options)

there would be more hunger | there would be peace | we would all be equal | there would be wars

Do you respect other people's rights? Write a X on you answer

Yes, I do ☐

No, I don´t ☐

What are the most important human rights? Why?

freedom | equality | safety | life | Freedom of expression | All the before

Because all the rights are important.
