There are many ways to keep our home safe when you are going on holiday.

First of all, you should make sure that your home is _____. Do not forget to switch on the alarm, lock all the _____. It will help you to avoid _____.

Secondly, you should not leave clues showing you are _____. You need to _____ to your address and _____ talking about your vacation. These will help you to _____.

Lastly, you should ask for _____. You can ask your neighbour to keep an eye on your house while you are away. You can also _____ saying that you are away on a holiday. These will help you to _____.

In conclusion, before you go on holiday, make sure you take as many precautions to keep your home safe from any attempt of robbery. Our safety is our responsibilities.
