### Don't be afraid to be different

Just before the examiner called my name, I took a really deep breath. Even though my parents had tried to build <sup>1</sup>..... my confidence over breakfast, I was still very nervous. All that practice, all those rehearsals. Now, it was time to <sup>2</sup>..... it all together. Our art teacher told us to be original, to do something that showed the way we see art. That helped me think <sup>3</sup>..... the concept of my final project: art through dance. When I tried <sup>4</sup>..... the idea with some friends, they loved it. So, I invited them to join <sup>5</sup>..... and be part of the performance. Everyone else had done paintings or sculptures, but I'm proud that I did something different.
