Who's Jessica's favourite athlete? Read to find out.

My Favourite Athlete

My favourite athlete is Pandelela Rinong. She is a famous Malaysian diver. Her nickname is 'Lulu the Dolphin Diver' probably because she dives as smooth as a dolphin does. Rinong began participating in the Olympic when she was nineteen years old. She is especially good at 10m platform diving. She has won two Olympic medals and five World Championships medals. I think she is the best diver in the world!
