

CHAPTER 7 Shapes

A Based on the following three dimensional shapes, name the shape and complete the characteristics. **TP1**

1  Cube (a) flat square faces (b) vertices (c) straight edges	2  (a) flat rectangular faces (b) vertices (c) straight edges
3  (a) curved face (b) flat faces	4  (a) curved face (b) flat face (c) vertex
5  (a) flat triangular faces (b) flat square face (c) vertices (d) straight edges
