Dear Sir or Madam,

- ☐ a In addition, I would like to point out that I have got some experience in working with children. Last summer I worked as a group leader at an activity camp in Sherwood. In 2001 I helped to organise sport activities at a Sport Summer Camp and everybody was satisfied with my work. I have enclosed references from my previous employers.
- ☐ b I look forward to hearing from you.
- ☐ c I am a nineteen-year-old student at Glenville College of Technologies. In spring I finished Woodland High School. I believe that I am suitable for the job for a number of reasons. Firstly, during the last two years I have been taking part and have won medals in various swimming competitions. Also, I was a member of the school athletics team for two years and played volleyball for the school 'B' team. So I am strong and physically fit. Secondly, I have attended a first aid course and I am capable of giving first aid in emergency situations.
- ☐ d I hope you will consider my application. I am available for an interview at your convenience.
- ☒ 1 e I am writing to apply for the position of swimming pool attendant as advertised in the 'Mercury' on 25th November (Advertisement number DK564).

Yours faithfully,

Simon Parker

The ²..... takes place in the South of England. The main character is a young doctor, Andy Brown. The central theme of the book is the young hero's ³..... between his ideals and interest in money. At first, the enthusiastic young man ⁴..... of doctors who are not well qualified and do not treat their patients ⁵..... He criticises the fact that they think only about money. 'Money Talks' is a well-written book with ⁷..... and vivid character descriptions. Through Andy's character and his career, the author reveals some ⁸..... facts about doctors and their profession. Convincing characters and dramatic events make 'Money Talks' a(n) ⁹..... novel.
