Video Game Cover Project

Directions

You will now have a chance to come up with your own video game! It can be based on games you enjoy playing, or it can be totally made up. Use this brainstorm and rough draft to get started.

Your cover must include:

- A video game title in big letters
- An image of the main character
- A paragraph (on the back) that explains the rules for positive social interactions in the game and why people should follow them

Who is the main character in your video game (person, animal, object, etc.)?	
Describe as many details as you can about the main character.	
What is the setting for your video game? Include as many details as possible.	
How will people communicate in the game?	
What is the title of your video game?
