

## Phonics

**RHYMING WORDS:** Words that have the same ending sounds.  
The ending sound includes the vowel and the ending consonant.

e.g. **at** ...in **bat**; **et**...in **jet**; **ate**...in **date**; **ail** in **mail**

To make rhyming words add letters from the alphabet in front of the ending sound.

ate

b + ate = bate; f + ate = fate; r + ate = rate

A. Which words are rhyming words?
