

MAKING DECISIONS

Read and match the expressions with the underlined phrases.

My first thought was to go with the blue. But then I thought long and hard and changed my mind. Maybe the red was better. But had I made the right decision? Had I? I reconsidered my choice. Red or blue? Red or blue? Why was it so difficult to make up my mind? Well, I didn't want to make a bad decision, did I? So I called my sister. Maybe she could help me come to a decision.

'Yes, what is it?' she asked.

'Red or blue?' I asked.

'I don't know why you're asking me,' she said. 'You only ever wear blue.'
