|-------|-------------|------------|---------|
| NAME: | GRADE: 7th  | PROJECT: 5 | WEEK: 4 |
| DATE: | 2021 - 2022 |            |         |

### Life Events

**Before start:** Write the label for each stage. Use the Word Bank.

teenager – elderly – baby – adult – child

#### ACTIVITIES FOR YOUR PORTFOLIO

1. Write the correct word to complete the following sentences.

- The first stage is \_\_\_\_\_ (baby – adult)
- The third stage is \_\_\_\_\_ (child – teenager)
- The fifth stage is \_\_\_\_\_ (adult – elderly)

2. Listen and write in the blanks in order to complete. Use the Word Bank.

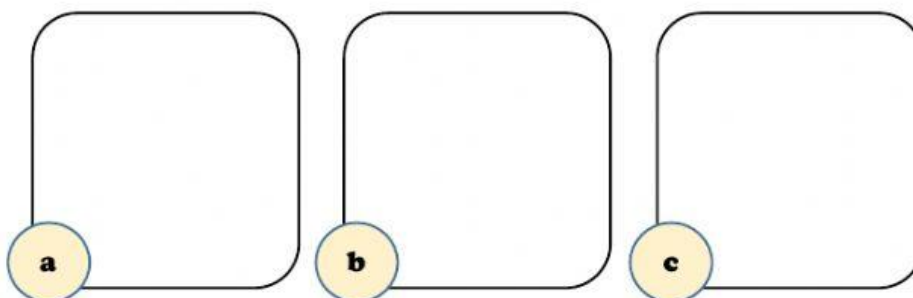

**cycle of life** - **family** - **childhood** - **Adolescents** -  
**disappointed** - **health problems** - **we become elderly**

Studies about \_\_\_\_\_, and the way they handle this stage of life depends on different factors. To understand this interesting stage, we can go through the \_\_\_\_\_. After we are born, the time goes by fast.

\_\_\_\_\_ is the time to discover the world and learn many things. After that, our teenage years called "adolescence." Later, when we think we are mature and everything will be simpler, we are sometimes more confused. Eventually we decide if we want to have a \_\_\_\_\_, to make money, to travel the world, to buy things. If things go wrong, we get disappointed. Finally, \_\_\_\_\_, we are relaxed, but \_\_\_\_\_ usually start unless you have a healthy life with a healthy diet and regular exercise.

3. Cut and paste images according with the elder person, you can show respect

a. Grand Parents, Parents and Relatives

b. Teachers
