

## T6 / Motivate 2 / Unit 9 - Grammar 1

- Fill in the gaps with the verbs in the **past simple** or **past continuous**.

A few months ago, I \_\_\_\_\_ (1- play) a video game on my mum's laptop when she came into the room. She \_\_\_\_\_ (2 - see) me with her laptop and she \_\_\_\_\_ (3 - get) angry. I \_\_\_\_\_ (4 - tell) her I \_\_\_\_\_ (5 - not do) anything bad. My mum \_\_\_\_\_ (6 - start) to watch, then she \_\_\_\_\_ (7 - begin) to play! We \_\_\_\_\_ (8 - play) when Dad \_\_\_\_\_ (9 - come in). He \_\_\_\_\_ (10 - want) to know what we \_\_\_\_\_ (11 - do). Then he \_\_\_\_\_ (12 - want) to play too. These days, I can't play the game because Mum and Dad are always playing it!
