Duration	40 minutes	Signature	

**A. Choose the correct answer. Write a, b, c, or d in the brackets provided. (1 mark each)**

**Look at the pictures below to answer number 1-3.**

- How many plates are there? ( )  
a. 2                      b. 3                      c. 5                      d. 6
- How many apples are there on each plate? ( )  
a. 2                      b. 3                      c. 5                      d. 6
- How many apples are there altogether? ( )  
a. 2                      b. 3                      c. 5                      d. 6

Look at the pictures below to answer number 4-5.

4. An ant has \_\_\_\_\_ legs. (      )  
a. 3                      b. 6                      c. 12                      d. 18

5. 3 ants have \_\_\_\_\_ legs. (      )  
a. 3                      b. 6                      c. 12                      d. 18

6. Look at the pictures below!

$5 + 5 + 5 + 5 = \underline{\hspace{2cm}}$ .

How many diamonds are there altogether?

- a. 5                      b. 10                      c. 15                      d. 20

7. Look at the pictures below!

$$4 + 4 + 4 + 4 + 4 = 20.$$

$$\underline{\quad} \times 4 = 20$$

What number to fill in the blank?

- a. 2                      b. 3                      c. 4                      d. 5

Look at the pictures below to answer number 8-10.

8. How many jars are there? (      )

- a. 2                      b. 4                      c. 5                      d. 10

9. How many stars are there in each jar? (      )

- a. 2                      b. 4                      c. 5                      d. 10

10. How many stars are there altogether?

$$2 \times 5 = 5 + 5 = \underline{\quad} \quad ( \quad )$$

- a. 2                      b. 4                      c. 5                      d. 10

**B. Solve the problem.**

**(Total mark: 10)**

**11.** Mary has 2 groups of books.

(3)

Each group has 8 books.

1) \_\_\_\_\_ + \_\_\_\_\_ = \_\_\_\_\_

2) \_\_\_\_\_ × \_\_\_\_\_ = \_\_\_\_\_

3) There are \_\_\_\_\_ books altogether.

**12.** Tell a multiplication story about these baby tortoises.

(4)

1) I see \_\_\_\_\_ groups of tortoises.

2) Each group has \_\_\_\_\_ tortoises.

3) \_\_\_\_\_ × \_\_\_\_\_ = \_\_\_\_\_

4) There are \_\_\_\_\_ tortoises.

For number 13 until 15, write the multiplication sentences. (3)
