How was your day?

1.Read and complete the table.

Ali

I had a fantastic day today. In the morning I met some friends and we went to the shopping centre. I bought some trainers and a T-shirt. Then we went to the computer games shop. I bought a new game. Then we had hamburgers and milkshakes. Then we went home and we played my new game all afternoon. It was great!

Sam

I didn't have a very good time today. I went to the beach with my family. We didn't swim in the sea – the water was very cold. For lunch I wanted to have spaghetti, but it wasn't on the menu. So I had pizza. In the afternoon we went for a walk on the beach. It was cold and a bit boring!
