1. There are four topics in this text. Read and underline four topic sentences.

Mat Jones is a 32-year-old photographer who has a very exciting life. He works for different magazines and takes photographs of special places in the world that most of us will never see. Mat has been to lots of different countries, but he has spent most of his time in South America. Here, he has visited the rainforests of the Amazon and climbed the Andes mountains in Chile. These mountains can be very dangerous and very cold. He has just climbed some very different kinds of mountains: volcanoes! There are lots of volcanoes in the world which are not active and people can climb. But you have to take extra care, especially as it can be very hot at the top. Mat is very happy in his job. "I know I am lucky," Mat says. "My job isn't really like work, because I am doing something I love."

2. Complete the paragraph below with a topic sentence.
