

Money Practice #7

1. Who am I? Choose the value of each coin.

2. Write the value and then add.

$$\begin{array}{rcl}
 5 \text{ } \text{George Washington} & = & \$ \quad .00 \\
 2 \text{ } \text{George Washington} & = & + \$ \quad .00 \\
 \hline
 & & \$ \quad .00
 \end{array}$$

$$\begin{array}{rcl}
 3 \text{ } \text{George Washington} & = & \$ \quad .00 \\
 13 \text{ } \text{George Washington} & = & + \$ \quad .00 \\
 \hline
 & & \$ \quad .00
 \end{array}$$

$$\begin{array}{rcl}
 3 \text{ } \text{George Washington} & = & \$ \quad .00 \\
 9 \text{ } \text{George Washington} & = & + \$ \quad .00 \\
 \hline
 & & \$ \quad .00
 \end{array}$$

$$\begin{array}{rcl}
 8 \text{ } \text{George Washington} & = & \$ \quad .00 \\
 1 \text{ } \text{George Washington} & = & + \$ \quad .00 \\
 \hline
 & & \$ \quad .00
 \end{array}$$

$$\begin{array}{rcl}
 5 \text{ } \text{George Washington} & = & \$ \quad .00 \\
 4 \text{ } \text{George Washington} & = & + \$ \quad .00 \\
 \hline
 & & \$ \quad .00
 \end{array}$$

$$\begin{array}{rcl}
 6 \text{ } \text{George Washington} & = & \$ \quad .00 \\
 15 \text{ } \text{George Washington} & = & + \$ \quad .00 \\
 \hline
 & & \$ \quad .00
 \end{array}$$

3. If candy costs 1 a piece, how many pieces of candy can Sam buy if he has \$50.00.

☐ 4 candies

☐ 5 candies

☐ 10 candies

Rob wants to buy six pencils for his friends. If each pencil costs \$5.00, how much money does he need?

☐ \$35.00

☐ \$30.00

☐ \$60.00

Choose the correct coins Rob would use to pay.
