Dear Auntie Helen,

Thanks very much for my birthday present! It was really kind of you to buy me a new MP3 player. I love it. I'm going to upload all my favourite songs tomorrow.

I'm going to have my birthday party this weekend. It's my friend Lily's birthday on Saturday, so we're going to have a party together and invite all our friends from school. She's in the same class as me so we've got the same friends. We're going to have the party on Saturday evening at the community centre. I'm really excited!

First, Lily and I are going to decorate the community centre on Saturday afternoon.

I think Mum will help us too! Then, the party will start at 7pm. We're going to eat some food – everyone likes pizza so I'd like to have that. Later, a DJ is going to come and play music so we can dance. It's going to be so much fun!

Thanks again for my MP3 player. I'll see you next week!

Lots of love,
Amelia xxx
