Collecting eggcups

People collect a large variety of objects: stamps, postcards, dolls. Some people collect objects which are connected with historic events or with famous people. But one of the strangest collections is that of eggcups. Kevin Murphy of Bradford in Yorkshire has 10,000 of **them**. Not surprisingly, his favourite eggcup is one in the shape of a typical Yorkshireman. Kevin's hobby began seven years ago, after he lent an elephant eggcup to a granddaughter who took such a liking to it that she insisted on keeping it. Kevin saw a few eggcups he liked at a sale at a local shop, and started collecting them.
