2. Reading about Christmas short article .

Talking about Christmas worldwide is fun, but it would take a long time. However, there is a clear difference between celebration in Latin America and Europe and the United States. In Ecuador, families **make a family dinner**, as well as in the USA. The traditional meal is turkey or another traditional food from the region. It's common for American people to **make a reservation** in a **fancy** restaurant, and at night they **do some reading**. In Ecuador, families pray "la novena." In Latin America, people usually **do the shopping** a few weeks before Christmas, but in the USA, parents buy gifts one or two months before. It does not matter where people are; they celebrate the birth of Jesus, in the Catholic religion.
