THE SCIENTIST
by Coldplay

Come up to meet you, tell you I'm sorry.
You don't know how lovely you are.
I had to find you, tell you I need you.
Tell you I set you _____.
Tell me your secrets,
And ask me your questions.
Oh, let's go back to the start.
Running in circles, coming up _____,
_____ on a science apart.

[Chorus:]
Nobody said it was easy.
Oh, it's such a _____ for us to part.
Nobody said it was easy.
No one ever said that it would be this _____.
Oh, take me back to the start.

I was just guessing at numbers and _____,
Pulling the _____ apart.
Questions of science, science and progress
Do not speak as _____ as my heart.
Tell me you love me,
Come back and _____ me.
Oh, and I rush to the start.
Running in circles, _____ our tails,
Coming back as we are.

[Chorus]
