**Read the passage and then choose the best answer A, B , C or D for the following**

Linda Shaw was about to have her evening meal with parents and grandmother when something rather frightening happened. The family had just sat down at a table in the dining room and had called Linda's brother Tony to join them when three armed men went in. One of the men pointed a gun at them while another held a knife. The family were all terrified, except Tony, who was watching television so that he had no idea anything was wrong. The men began to put everything that was valuable into a large bag. While stealing things, they didn't see Linda write the word "**HELP**" on the piece of paper. Linda dropped the paper out of the window on the street. Two passengers saw it and called the police. A few minutes later the police caught them. After they were being taken away. Tony was bewildered. He had been watching television throughout the whole incident.

21. *It can be inferred from the story that the men.....*
