Many countries in Asia and Africa are very poor. People in these countries struggle to get

1. \_\_\_\_\_ like food, water and shelter. Many children in these countries don't have 2. \_\_\_\_\_ to good education. People in these countries are also affected by diseases, droughts and famines. Many people in the developed countries want to help them 3. \_\_\_\_\_ from countries like America and France often provide free education and healthcare to these unfortunate people. They also try to provide 4. \_\_\_\_\_ solutions to problems like lack of drinking water by digging wells and building water purification systems. Many organizations like The UNESCO also give 5. \_\_\_\_\_ to the efforts of these people and provide them with money and materials.
